HMC Hires New Assistant Director of Education

(Honolulu, Hawaii) October 10, 2017 – [Hawaii Medical College](#) has hired Dr. Andre West as Assistant Director of Education. He is currently developing an interactive online program for the college.

“I’m excited to join the Hawaii Medical College team because of their dedication to the success of their students,” Dr. West said. “I plan to bring my years of experience in healthcare to help develop our programs, allowing students even more options to continue their education toward a career in the medical field.”

Dr. West is a U.S. Navy veteran, where he served as a hospital corpsman. The Los Angeles native obtained his doctor of chiropractic degree from Life Chiropractic College West. He’s currently pursuing a doctor of health administration degree.
